EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Mayer on 10/23/03.

The application has been amended as follows:

IN THE CLAIMS

Claim 9, line 12, delete "the supply" and insert -- a supply --

2. The following is an examiner's statement of reasons for allowance: The prior art made of record does not disclose a circuit for controlling an electronically commutated motor comprising a control unit coupled to at least one semiconductor output stage for producing a control signal based on a setpoint value and storing a motor characteristic curve from which an operating speed is derived; and a comparison means for comparing the derived operating speed and an actual motor speed, wherein the control unit and the at least one semiconductor output stage can be switched off based on the output signal from the comparison means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rina I Duda whose telephone number is 703-305-0722.
